

Social Anxiety App Review

We would like to know how you feel about the app, so we can make sure we are meeting the needs of someone with social anxiety. Your responses will help us to improve the app. All responses will be kept confidential and anonymous. Thank you for your time

Please mark how well you think we are doing in the following areas:	Great 5	Good 4	OK 3	Fair 2	Poor 1
Design and Layout					
Design		X			
Layout	X				
Colour Scheme			X		
Easy to understand		X			
Functionality					
Functionality		X			
Friendly and helpful to you	X				
Knowledgeable and professional		X			
Easy to use and understand		X			
Overall satisfaction:					
Overall impression of the app		X			
Willingness to use the app again	X				
Likelihood of referring to others with social anxiety	X				
What did you like best about the app?					
I like that it is simple to use and there are different relaxation techniques offered with the breathing exercises and relaxing images. Also the amount of information available is great.					
What did you like least about the app?					
Some of the titles are hard to read due to the colour scheme.					
Suggestions for improvement?					
Perhaps some basic instructions to go along with the breathing exercise and enhancing readability of titles.					
Some information about you:
